

Last Minutes Information:

The Workshop will take place in the Central Campus of National Technical University of Athens which is located at Patission Street in central Athens. There are two entrances to the Campus. The main entrance in the Patission street for historical reasons is always closed. The other entrance is in the Stournari Street. Once you enter the Campus in front of you is the Averof Building. The Workshop will be in the A008 Amphitheatre of the Averof Building in the ground floor for Monday 26th and on Tuesday 27th it will be in Amphitheatre M318 in the Mboumboulinas Building which is behind the Averof Building.
