

University of Torino

PhD program in PHYSICS

The **PhD program in Physics** at the University of Torino offers

- **high-level research training** in many experimental and theoretical fields
- **3-year fellowships** (17400€/y net)
- many **educational opportunities**
- **close collaboration with local research institutes** (INAF, INFN, INRIM, CNR)

The Physics Department in Torino has a long-standing tradition of excellence in many areas of physics (see www.df.unito.it/do/gruppi.pl/Tree) and since 2018 it is a **Center of Excellence** (award by the Italian Research Ministry)

For more information and to apply (after March 14) visit
en.unito.it/postdegree/phd/physics
or send an email to dottorato@ph.unito.it

APPLICATION DEADLINE APRIL 16, 2019
